TO WHOM IT MAY CONCERN

Farhaad Sallie : Grade 12U - Admin no. 26185

Farhaad Sallie is currently enrolled as a learner in grade 12 at Durban High School. He has been a valuable member of the School's Sports First-Aid Team since 2013 and has served at the School for 4 years. He is in his last season of assisting at rugby events and has contributed many hours of his personal time to first-aid assistance. These hours also count towards his community service hours. He has completed level 1 First-Aid Certificate in 2015 with the St Johns Ambulance. I would like to recommend him to any learning institution due to his reliability and his selfless commitment to helping others.

Yours sincerely

S CRASSO
